YEW WAH INTERNATIONAL EDUCATION SCHOOL

China, Guangdong, Guangzhou

N/A

Oct 2018

- GPA: 3.89-3.97
- Subjects: Business, Economics, Mathematic, Statistics, Chinese, English as second language

PROFESSIONAL EXPERIENCE:

China Merchants Securities Co Ltd, Dongguan, Guangdong

Dec 2025 - Jan 2026

Wealth Management Intern

- Conducted comparative equity research on 3–4 companies within new consumption sector, ultimately selecting LaoPu Gold for an in-depth company and industry analysis
- Analyzed multiple new consumption sub-sectors, including gold jewelry, mass-market snack retail (e.g. discount snack chains), and designer toys, to identify common growth drivers and consumer behavior trends
- Reviewed 7–8 company annual reports, internal analyst reports, and internal training videos, and attended daily morning meetings to build macro-to-company analytical linkage
- Consolidated research findings into a structured PPT presentation, summarizing industry characteristics, company fundamentals, stock performance, and gold price trends over a 3-week internship period

Shenzhen Wenpuxi Technology Co., Ltd., Shenzhen, China

Summer 2026

E-Commerce Marketing Intern

- Conducted Amazon keyword and competitor research using Seller Sprite, analyzing traffic share, estimated weekly impressions, ABA rankings, monthly search volume, PPC costs, and product relevance to narrow 100+ search terms to approximately 10 high-priority keywords for each product
- Developed SEO-optimized Amazon listings for Boneless chair and outdoor cushion products, including titles, bullet points, product descriptions, and strategic keyword placement; incorporated common customer concerns and Amazon AI-generated shopping questions to improve product discoverability and content relevance
- Managed product setup and variation organization in Amazon Seller Central, supporting the launch of a boneless chair and 12 outdoor cushion variants across 4 colors and 3 pack sizes; adapted listing content for different SKUs and reviewed inventory, product information, listing requirements, and restricted terms
- Assisted with product copywriting for GigaCloud Marketplace and analyzed competitors' product images, layouts, and selling-point presentation to provide visual content ideas and recommendations to the design team

Yew Wah International School Student Council, Guangzhou, Guangdong

Sep 2023 - Jun 2025

Student Govt

- Led a student council team of 10–20 members, overseeing planning and execution of 10+ school-wide events with participation exceeding 100 students each

- Took full responsibility for event ideation, task delegation, coordination with teachers, budgeting, logistics, and on-site execution
- Organized major initiatives including Teacher's Day gift-giving, Halloween party, mystery-solving games, and a green-school project
- Served as a communication bridge between students and school administration

FBLA Sales Presentation, Shanghai

Sep 2023 - Feb 2024

Team Members

- Competed in a national-level FBLA Sales Presentation as a team member, achieving Top 10 placement
- Coordinated to a 3-person team by developing presentation materials, conducting market analysis, and delivering sales pitches during a 7-minute presentation about selling gluten free product

Digital Marketing Research Project

Independent Research

- Conducting a comparative research study on traditional marketing and digital marketing, analyzing differences in communication style, consumer behavior, cost structure, and market responsiveness
- Incorporated case studies of Coca-Cola and Shein to evaluate real-world applications of marketing strategies and brand positioning
- Analyzed industry reports and academic literature to identify key trends such as personalization, data-driven decision making, and rapid market adaptation in digital marketing
- Developed a structured research paper with clear arguments, literature review, and business implications for marketing strategy selection

SKILLS:

- Financial & Industry Analysis & Market Analysis
- Annual Report Analysis & PPT-based Business Presentation
- Leadership & Team Management & Event Planning & Coordination
